your surgery

Use or lose your surgery

Make an appointment for your flu vaccination at your own registered GP Practice. You are eligible if you are in a Dept of Health identified risk group, pregnant or aged over 65

This year practices have had to purchase three different vaccinations based on the latest guidance from the Joint Committee on Vaccination and Immunisation Fluad for all patients aged 65 and over (on or before 31/3/2019) and Quadivalent for all eligible patients 18 years old to under 65. Vaccinations for children under 18 remain the same as previous years, Fluenz.

Tollerton Surgery

Saturday 6/10/18 9.00am—11.00am

Thursday 25/10/18 From 2.00pm

Thursday 22/11/18 From 2.00pm

Millfield Surgery

Saturday 29/9/18—9am—12md

Wednesday 31/10/18—2pm & 5pm

Stillington Surgery

Saturday 06/10/18 9.00am-12.00md

Saturdays 3rd and 17th November 9.00am-12.00md

You may not be aware that practices are required to order their flu vaccines 12 months in advance of the flu season for all eligible patients. It is therefore important that you attend the surgery for your vaccination to reduce wastage.

You may also be eligible for free shingles and pneumonia vaccinations which are equally important. Please make enquiries at your surgery where you may receive all vaccines due to you.
